

Networking events for Clinical Academics

## Social media in Science

**Speaker**  
**Dr Jessica Wade**

Dr Jess Wade is an Imperial College Research Fellow working in the Department of Materials at Imperial College London. Her research considers new materials for optoelectronic devices, with a focus on chiral organic semiconductors and how to optimise these chiral systems such that they can absorb/emit circularly polarised light as well as transport spin-polarised electrons. For her PhD Jess concentrated on new materials for photovoltaics and the development of advanced characterisation techniques to better understand their molecular packing. Outside of the lab, Jess is involved with several science communication and outreach initiatives. She is committed to improving diversity in science, both online and offline.

**Venue: Lecture Theatre**  
**Cancer Research UK Cambridge Institute, Biomedical Campus**

Thursday 27<sup>th</sup> October 2022  
Registration from 4.45pm with talk at 5pm  
Networking drinks and refreshments from 6pm

**Please RSVP numbers needed for catering by 7<sup>th</sup> October to:**

**E: [rs2202@cam.ac.uk](mailto:rs2202@cam.ac.uk)**

**Stating your name and academic programme level**

**UNIVERSITY OF  
CAMBRIDGE**  
School of Clinical Medicine
